

Former ASARCO East Helena Smelter Site

Notice and Invitation: Public Meeting

**Tuesday, December 13, 2022
6:00 p.m.**

METG Office – 325 Manlove Ave., East Helena

The U.S. Environmental Protection Agency (EPA) and the Montana Environmental Trust Group (METG), Trustee of the Montana Environmental Custodial Trust, are hosting a public meeting about the former ASARCO Smelter Site in East Helena.

Topics will include:

- Updates on cleanup progress
- Remediation and restoration along Prickly Pear Creek
- The slag removal project
- Property development activities

The meeting will also be held virtually.

Join online: Use [this Zoom link](#) or use <https://tinyurl.com/METGmeetings>

Join by phone: call 646-876-9923
use meeting ID 946 584 8922 and passcode 664564

Directions to METG Office – 325 Manlove Ave.

Manlove Ave. is near the former ASARCO Smelter Site. It is located south of Highway 12 and parallel to the Highway and railroad tracks. Manlove Ave. intersects Highway 282 across from American Chemet.

- From Helena, take Highway 12 east. Go right onto Highway 282 South. Take first right onto Manlove Ave.
- From Townsend, take Highway 12 west. Go left onto Highway 282 South. Take first right onto Manlove Ave.
- From Montana City, take Highway 282 north. Go left onto Manlove Ave. (last street before Highway 12).

Look for the green modular building with the METG logo on the left!

For more information, please contact:

EPA: Bridget Williams, (406) 457-5013, williams.bridget@epa.gov

METG: Cindy Brooks, (617) 448-9762, cb@g-etg.com

Anna Novikova, (267) 799-3842, an@g-etg.com

The Montana Environmental Custodial Trust was established in 2009 as part of the global ASARCO bankruptcy settlement to remediate and facilitate reuse of the former ASARCO Smelter Site.
