

Growing East Helena Your Thoughts, Your Community!

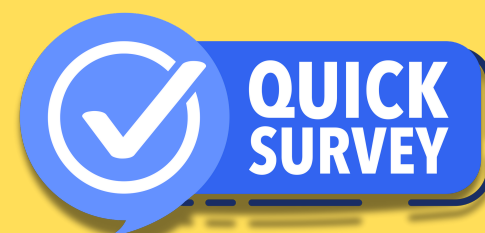

East Helena is launching a **Community Review** coordinated by Montana Economic Developers Association and the Montana Business Assistance Connection in partnership with the Western Community Assessment Network.

A Community Review is a strategic planning process that brings together residents, businesses, local leaders, and community partners to better understand a community's needs, challenges, and opportunities. It helps communities experiencing growth or change identify shared priorities and build a strong foundation for future planning, funding, and investment.

The community review will bring community development professionals from all over the state to gather information and facilitate community discussions about the vision for the future of East Helena.

We want to hear from you! Your input directly shapes the priorities and recommendations that come out of this process, and broad participation ensures the results reflect the entire community. Please help by taking a few minutes to complete the Community Review survey. **All responses are confidential**

Visit <https://tinyurl.com/EastHelena>
Or by scanning the QR code here

The QR code is designed for phone or tablet survey only

You may also find a paper copy of the survey at the **East Helena City Hall** (Room 103) and **Lewis & Clark Library** (16 E Main St) . A single page, front and back, survey is available with a small drop box to submit your survey when complete.

For questions about the project, please email fellow@medamembers.org
